| <b>Eikendal Charisma 2014 - Stellenbosch</b><br>This wine truly lives up to its name. Great character and verve. Indeed, we have found it to be a revelation. A true Mediterranean style wine – mostly Rhone with hints of Spain and Italy thrown in for good measure. Silky tannins and full fruit flavours with subtle suggestions of spice make this a superb wine. Platter 4* | 67.00 | 201.00 |

| Is a harmonious and well-balanced wine, showing typical green herbaceous flavours as well as richer tropical notes. Pale straw in colour with a light green tinge, it has a lively bouquet of tropical fruit. Our more coastal vineyards and a touch of Nouvelle impart herbaceous, Granny Smith apple and capsicum notes. On the palate the wine shows bright tropical fruit flavours of passion fruit and pineapple (our Paarl fruit) complemented by crisp, well integrated acidity. The wine has a rich, full structure (from our Sémillon) with a rounded and creamy mouthfeel. |              |               |

| Smooth, silky and rewarding. Pot still is the method used to create cognac.                                                                                                                                                                                                                                                                                                                                            |                      |               |

| Another Wine Bar favorite. Light red, well-balanced with muscat. Lovely finish. Especially good with crushed ice.                                                                                                                                                                                                                                                                                                      |                      |               |

| An exciting new addition. Rated 4* in the Platter Guide. Delicious and elegant semi-sweet wine. Full sweet fruit flavours well balanced with hints of acidity in the aftertaste. | A fiery red-brown Tawny coloured wine with flecks of olive green on the rim, the bouquet unfurls with the walnut, roast almond, honey, caramel, melange of spices, citrus, warming brandy and charred oak notes that typify Tawny. A lusciously smooth, mouth-watering palate of brandied fruits, roast nuts, honey, caramel toffee, warm spices and hints of citrus tantalize the taste buds long after the first sip |                      |               |
